INTEREST REPORTING INSTRUCTIONS

Effective January 1, 1983, interest of $10.00 or more paid on each savings bond redemption transaction will have to be reported by the paying agent to the Internal Revenue Service and to the payee. (Refer to temporary regulations 26 CFR Sec. 5f. 6049 for exemptions.)

If Series E/EE bonds or Savings Notes are exchanged for Series HH bonds that portion of a refund in excess of purchase price, representing interest, is reportable.

A transaction for this purpose is defined as a single payment whether it includes one or more bonds. The redemption tables now show two columns for each denomination: the first is the redemption value, and the second is the interest paid and subject to reporting.

The information return must be filed with the IRS Service Center on or before February 28 of the following year, and a copy must be provided to the payee either at time of transaction or if sent by mail no later than January 31, of the following year. The information required is the same as that which your institution reports on other interest (i.e., Form 1099, Internal Revenue Bulletin No. 1982-33).

Refer to Section 6049 of the Internal Revenue Code of 1954, as amended by the Tax Equity and Fiscal Responsibility Act of 1982 (Public Law 97-248, 96 Stat. 324, 26 U.S.C. 6049, and supporting temporary regulations 26 CFR Sec. 5f. 6049) for additional information concerning this reporting requirement.

Please note that the $10,000 denomination for Series E is no longer shown in these tables. To determine redemption values and interest earned amounts for the $10,000 denomination multiply amounts for $1,000 by 10.

EXAMPLE

A $25 denomination Series E bond that was issued in May 1976 and presented for redemption in January 1983 would have a redemption value of $28.89 and interest earnings of $10.14. These amounts can be found in the table for January 1983 under the $25 denomination and on line with the issue date of May 1976. Note the interest earned amount is shaded. The interest earned amount of $10.14 is more than $10.00 and must be reported to IRS and the payee.

JUNE 1983 ONLY

Distribution of Booklets

These booklets are distributed direct to qualified paying agents by the Bureau of the Public Debt. Paying agents may obtain additional booklets from the Federal Reserve Bank or Branch to which they send paid bonds. The Federal Reserve Bank or Branch should be notified of any change in the number of booklets required on a regular basis. The public generally may be advised that copies of the booklet may be purchased from the Superintendent of Documents, U.S. Government Printing Office, Washington, D.C. 20402.

General Information

1. Bonds of all series should show an impression of the issuing agent's dating stamp.

2. All bonds must show an issue date. The issue date appears in the upper right section on the face of each Series E bond and is used in determining the redemption value of the bond. Such issue date should not be confused with the date appearing in the issuing agent's dating stamp, which should not be used to determine redemption value. June 1, 1980 is the last authorized issue date for a Series E Bond.

3. All **Series E** bonds do not increase in value on the same basis. The term of maturity and yield have been revised several times. This accounts for the fact that older bonds may have less redemption value than newer bonds. The redemption values and investment yields are fully shown in the tables attached to Treasury Department Circular No. 653, current revision. If there is any question as to the accuracy of any figure in any of the tables in this booklet, the figure may be verified with the appropriate table attached to the Department Circular.

4. All **Series E** bonds bearing issue date of April 1, 1952, and prior, matured 10 years after the issue date; Series E bonds bearing issue date from May 1, 1952, through January 1, 1957, matured 9 years, 8 months after the issue date; Series E bonds bearing issue dates from February 1, 1957, through May 1, 1959, matured 8 years, 11 months after the issue date; Series E bonds bearing issue dates from June 1, 1959, through November 1, 1965, matured 7 years, 9 months after the issue date; Series E bonds bearing issue dates from December 1, 1965, through May 1, 1969, mature 7 years after the issue date; Series E bonds bearing issue dates from June 1, 1969, through November 1, 1973, mature 5 years and 10 months after the issue date; and Series E bonds bearing issue dates on or after December 1, 1973, mature 5 years after the issue date. **All Series E bonds bear the optional extension privilege** described in Treasury Department Circular No. 653, current revision.

5. **Required Taxpayer Number** — Payees are required to provide their social security or taxpayer identification numbers on all bonds presented for redemption, under Department of the Treasury Circular No. 530.

6. **Identification Guidelines** — Departmental requirements governing identification are contained in Form PD 3900. If the guidelines are followed, agents can carry out their responsibility for cashing bonds and be sure they will not incur losses.

7. AFTER A BOND HAS BEEN CASHED, IT CANNOT BE REINSTATED FOR EXTENSION.

8. Paying agents may not pay **Series H and HH** bonds under any circumstances.

9. **Interest earnings information will be provided to payees and IRS.**
